

## RED CARPET FOR A CURE: HONORING OUR STARS

Join us for An Unforgettable Evening of Grace, Glamour, and Giving Back  
on Friday May 2, 2025 at The View on the Hudson.

Step onto the red carpet for an unforgettable evening celebrating the resilience and bravery of children fighting cancer. Experience Hollywood-style elegance while supporting a cause that truly shines. Watch our hero Carina tell her story of strength, perseverance and hope through a dance that is a testament to the battle she fought and won. Be captivated by our champion Darian and The Fordham Ramblers with an unaccompanied melody that echoes the strength required to overcome life's toughest battles and demonstrates the healing power of music.
